A. INTRODUCTION

A.1 PURPOSE

As a community of faith committed to following Jesus Christ, we strive to extend a generous welcome to all who enter our doors and to treat them with the love and dignity that God bestows upon each and every one of us. We want our church to be a safe place for everyone.

Unfortunately, we cannot simply assume that our church is a safe place. We know that we cannot eliminate all risks, but we can strive to reach that goal by taking intentional and direct actions. The Safe Church Committee wants people of all ages to be able to deepen their relationship with God and each other in an environment that is safe and secure. It is in this spirit that the UCC Congregational of Burlington Safe Church Policies and Procedures was created. We consider this to be a living document, which will be amended over time as new considerations arise. We hope that although there are sure to be omissions, this document will provide guidelines to create a safer environment at UCC Congregational of Burlington for our members, employees and guests.

What is safety?

Safety means that a person's spiritual, emotional and physical self is protected from injury. For example:

Spiritual safety

- People have the freedom to express their faith.
- People's beliefs are treated respectfully

Emotional safety

- Kindness and civility are the norm
- People refrain from personal attacks and gossip
- Confidentiality is honored

Physical safety

- Door Key holders agree to abide by safe church policies
- Facilities are clean and well lit
- Exits are clearly marked and free of debris
- Fire alarms are kept in working order
- Food preparation areas are clean and health department guidelines for food preparation are followed

UCC Congregational of Burlington observes the Massachusetts standard for reporting abuse. Anyone with "a reasonable cause to believe" that a child under age 18 or an elder is suffering, or has suffered from, abuse or neglect, will follow the Response and Reporting Policies and Procedures listed below.

"Reasonable Cause" - after examining all the facts in a particular situation, most people with similar training and experience would also suspect abuse. This is the 'reasonable person' standard commonly used in the law - Questions and Answers About Reporting Child Abuse ©: Dayl Hufford. (See Resources, Section J)

G.2.2 PREVENTING IMMINENT HARM

To protect children and elders, any circumstance of abuse that poses imminent risk of serious harm will be reported to the Burlington Police Department at 911 or 781-270-1914 or 781-270-1212. Because of the vulnerability of children and elders, their right to our protection supersedes a counselee's right to confidentiality.

G.2.3 REPORTING PROCESS

If in the context of a class or other event, a child discloses information or an adult otherwise has a reasonable cause to believe that a child is not safe, the incident should be discussed promptly with the ministerial staff to clarify and determine an appropriate level of response. If there is an allegation against the pastoral staff, the Moderator will contact the Area Minister and the Human Resources Committee. The church will seek the counsel of the Association Committee on Church and Ministry regarding action to be taken.

Incident Reports (Form A-1) are required for all unusual occurrences at UCC Congregational of Burlington. They must be submitted to the Safe Church Committee or the appropriate staff member even if it is determined that an oral or written report will not be filed with DCF. These forms will be stored in a secure and confidential location.

The Department of Children and Families (DCF) is the Massachusetts agency with responsibility for protecting minors and elders from abuse and neglect. No one is prohibited from making a report directly to DCF, and may do so as either an identified or anonymous reporter. Reporters can file anonymously by calling The Child-at-Risk-Hotline at 1- 800-792- 5200 (after hours) or contact (DCF) Cambridge office at (617) 520-8700 (Mon-Fri 8:45am-5pm) to report as an identified reporter. For more information see http://www.mass.gov/Eeohhs2/docs/dss/can_mandated_reporters_guide.pdf

The role of the Safe Church Committee is to receive the allegation, provide leadership and guide the reporter through the Department of Children and Families (DCF) contact process. Should someone observe that a vulnerable adult is being abused, harassed or exploited, a concerned member may initiate proceedings on their behalf.

H.3 PROCESS FOR RESPONDING TO A COMPLAINT OR CONCERN

The utmost respect shall be given to the confidentiality and privacy of all parties. Any person who brings a concern or complaint forward, or who assists in investigation of such a report, will not be adversely

affected in terms and conditions of employment or Church membership, or otherwise discriminated against or discharged. Information will be shared only on a need-to-know basis.

H.3.1 RESPONSE

1. **Informal** - The person with a concern may attempt to resolve the matter directly with the person accused. Alternatively, the person with a concern may attempt to resolve the matter with the assistance of his/her supervisor, a Safe Church Committee member, or a member of the minister.
2. **Formal** - If an informal resolution of the complaint does not seem wise, appropriate, or possible, or does not succeed, the person with a concern should complete an incident report form (Form A-1) and submit it to a Safe Church Committee member and/or Minister. This will lead to a formal proceeding. If the allegation involves the Minister, the person with a concern should contact the Moderator, Human Resources Chair, Deacon Chair or the Safe Church Committee.

H.3.2 FORMAL PROCEEDING

When the Safe Church Committee is requested to initiate a formal proceeding, the following procedure will happen:

1. A task force will be convened.
 - If the allegation involves the Minister, the task force will be comprised of the Moderator, the Safe Church Committee, Human Resources Chair, and the Deacon Chairperson. The Moderator will inform the Metro-Boston Area Minister. UCC Congregational of Burlington will cooperate fully in any conference procedures related to the person's ministerial authorization.
 - If the allegation involves another authorized UCC minister, the task force will be comprised of the Minister, Moderator, the Safe Church Committee, Human Resources Chair, and the Deacon Chairperson. The Moderator will inform the Metro-Boston Association Area Minister. UCC Congregational of Burlington will cooperate fully in any conference procedures related to the person's ministerial authorization.
 - If the allegation involves another UCC Congregational of Burlington staff member, the task force will be comprised of the Minister, Moderator, the Safe Church Committee, and the Human Resources Chair.
 - If the allegation involves a lay person the task force will be comprised of the Minister, Moderator, and the Safe Church Committee.
2. The person accused will be notified that an incident report form has been filed.
3. Statements will be gathered from any individuals involved.
4. The task force will carefully document all activities and meetings, including dates, times, locations, names of the parties present, decisions, and actions to be taken. This documentation is to be kept in a secure location determined by the Safe Church Committee.
5. The task force will consider all information and determine an appropriate course of action.
6. If the task force determines that no harassment or sexual exploitation has occurred, all affected parties will be notified.
7. If the task force determines that harassment or sexual exploitation has occurred, the task force will inform the individuals and take actions that may include:
 - Formal reprimand with defined expectations for changed behavior;
 - Recommending or requiring a program of growth that may include education and/or counseling;
 - Probation, with the terms of the probation clearly identified;
 - Dismissal from volunteer leadership position or employment and, in extreme cases, membership in, the Church.

H.4 APPEAL

If the person(s) involved is not satisfied with the disposition of the matter, he or she has the right to appeal to the Deacon Chairperson who will appoint a committee to review the complaint.

E-3 PARTICIPATION COVENANT GUIDELINES FOR YOUTH

UCC Congregational of Burlington is committed to providing a safe and secure environment for all children, youth, and volunteers who participate in ministries and activities sponsored by the church. The following process reflects our congregation's commitment to preserving this church as a safe place where people can experience the love of God through relationships with others. The following process will be completed at the beginning of the year for all youth programs. If situations arise during the year (e.g., group trips) which requires additional topics to be included in the covenant, it will be amended or another covenant will be created.

1. Post ahead of time a list of the non-negotiable rules that are in the Safe Church guidelines, Section E (e.g., rules about driving, confidentiality, drugs and alcohol, sexual activity, bullying)
2. Ask the group the following question: "What other ground rules can the group adopt so that each person in the group feels comfortable participating?" As participants brainstorm, list their suggestions on newsprint. Try to use positive language. Topics and possible guidelines to discuss include:
 - Expected attendance
 - Be open-minded
 - No put-downs; only pull-ups
 - Start and end on time
 - Keep what is said in the group confidential
 - Use "I" language / speak for yourself
 - Be a team player
 - Participate but share time (Step up/ step back)
 - Have as much fun as possible
 - Cell phones will only be used to help make activities work
3. Once the group has reached a consensus on a list of operating principles, write the principles on newsprint beneath the title Group Covenant. Explain that a Group Covenant is a statement that outlines the rules that the group agrees to follow while they are together. Have participants sign the covenant. Post it somewhere in the room where everyone can see it at all times.
4. Email the covenant to the parents of the youth so they know the rules.

E-4 SAMPLE YOUTH RETREAT COVENANT

Mission Trip and Retreat Covenant
UCC Congregational of Burlington

My covenant with God and my fellow UCC Congregational of Burlington Youth Group members is to be open to the surprising work of God on this trip, even when it comes through the unexpected (like exhausting work, or people who are very different from me). I will live and participate in a Christian community, showing respect and attentive love to each person in our group.

For the days of this trip, I will seek to follow the example of Jesus who did not come to be served, but to serve. I will participate in all activities that have been planned for me, including any assigned work or chores. I will be hospitable to strangers.

I will avoid actions or attitudes such as complaint, gossip, profanity, making fun or excluding others, etc. that might detract from the building of Christian community or the mission we have been sent to accomplish. I understand there will be absolutely no tolerance of the use or possession of alcohol, tobacco, drugs, or weapons, including, but not limited to, cigarette lighters and knives.

I will honor the adults who have so graciously given their time in order that this trip might happen. I will respect and obey them without challenge or complaint because I know that they love me and always have my best interests in mind. I will also listen to my assigned adult leader(s).

I will not destroy or take any property that does not belong to me, but I will instead leave things better than they were before I arrived.

I will put my romantic relationships on hold for the duration of this trip, directing my full attention and energy to spiritual growth, community building, and the mission we have been sent to accomplish. I will refrain from any and all sexual activity, including, but not limited to, any public or private displays of romantic affection.

I will honor the group and the importance of the time we have together by living within these basic behavioral guidelines for the trip:

- I will be ready and on time for all activities.
- I will not wander off from the group, and I will stay with at least two friends, being careful that an adult always knows where I am.
- I will let girls' bedrooms be for girls only, and boys' bedrooms be for boys only.
- I will obey the assigned "lights out" instructions.
- I will only use my cell phone for purposes related to the trip or to communicate with my family.

In the event that I choose to break this Covenant, I understand that I may be sent home prior to the trip's end at my parents' expense. This decision will be made by the leaders on the trip, in consultation with the adult chaperones.

This Covenant is committed to by:
