Blessing of the Solar Panels

Blessing of the Solar Panels
We will be blessing our solar panels this Sunday, April 22
Earth Day!

The service will start early. Please arrive at **10:20 a.m.**

We will be meeting outside (rain or shine- hopefully shine)

Please wear green!

Invite your friends who are committed to being good stewards of the environment.

Following the blessing we will process into the sanctuary for the service.

Following the service ReVision Energy, our solar panel partner, will be giving a tour of the panel installation and holding an open house so people can learn more about this renewable energy option which saves the environment and money.

We have a fun family activity in honor of Earth Day. Folks can make bee hotels to help save the endangered bees that are essential to humanity's survival.

In honor of Earth Day, we would ask folks to consider changing their behavior for one day. Here are a few green suggestions for that day:

- **Take a shorter shower. Better yet, take a Navy shower: wet, turn off the water, lather, turn the water back on and rinse.**
 - **Carpool to church, or up the ante and bike or walk to church.**
 - **Bring your favorite coffee mug. Even better, bring and leave your less than favorite coffee mug for future use at coffee hour.**
-

CRAFTING FOR A CAUSE C4C

C4C will be meeting this Wednesday in the conference room.

All are welcome. We usually meet from 1:00 to 3:00 but we often leave later than 3.

Please note that on May 9 we there will be a change of meeting place and meeting time. .

COFFEE HOUR HOSTS NEEDED!

We are in need of **2 to 3 more coffee hour hosts** to help spread out the time between hosting duties for our volunteers. If you would like to help out our church with this need please contact Janine Towle at msjaninetowle@gmail.com and let her know.
