May 19th: Mental Health Awareness Worship Service

At this service, we will lift up the fact that all of us have mental health struggles throughout our lives. We will remember that the church is called to be a place where we are able to bring our whole selves to the table without feeling stigmatized. We will bless our WISE for Mental Health Committee and we will hear testimonials from a few church members about how mental health concerns have affected them.

This is sure to be a powerful service, you don't want to miss it.

LORD BARON READING GROUP UPDATE

Our launch date is right around the corner! ***We will be having the reading group at the Lord Baron apartments starting June 2nd. We will gather on Tuesdays and Thursdays from 3:30-5:00pm.***

In July and August, we will meet on the same days from 10:00-11:30am. If you are interested in volunteering, please email your June availability to Angela.

She will be putting the volunteer schedule together. If you cannot volunteer, you can still support the reading group by donating books or donating snacks.

SNACK DONATION DETAILS:

You can see the signup sheet at coffee hour to sign up to donate snacks on a specific date, or email Lucy Damiani at rdamiani@comcast.net to sign up. We are looking for a food item and drink item for about 30 children. Please avoid food with nuts. Some good options are: individuals packs of Goldfish crackers, chips, cheese crackers, pretzels, etc. Drinks: Bottled water, please. You will be able to coordinate with the lead volunteer on your assigned date to coordinate getting the snacks to the reading group, or leave your snack in the church kitchen, with a label on it.

BOOK DRIVE DETAILS:

There will be a big black bin under the coat rack in front of Sewall Hall. It will be clearly marked. If you have any illustrated children's books that are in good condition, please place them in the bin. Thank you!

SUMMER LUNCH PROGRAM THROUGH THE BURLINGTON PANTRY

Many families who struggle financially can rely on their children receiving free or reduced-price lunch and breakfast at school, so at least their children get one or sometimes two meals a day. For many of these families this time of year is bittersweet. While the kids are excited for their summer break from school, it comes with a lot of anxiety and worry for parents, how will they find the money to feed their children for 10

weeks, how will they find the money to pay for summer camps or childcare to keep them safe, engaged, and out of trouble?

Back in 2016, People Helping People designed a program that extends a little extra help to these children and their families. The program is a pantry version of a school lunch: each week families are invited to pick up a bag of ingredients and recipes needed to prepare a preset menu of 5 lunches, 5 snacks and 5 drinks. Menus designed using the *My Plate* nutrition guidelines. The program offered to all school-aged children signed up for pantry services, and with the assistance of the Burlington Public Schools, also offered to all families signed up for free or reduced-priced lunches. This program is hugely popular with the families that participate, and we have received a lot of positive feedback from families about how much their kids like it, how surprised parents are to find their kids trying new foods and how kids love the chance to help get involved with preparing their own lunches and helping their younger siblings.

The Burlington Food Pantry benefits greatly from a very generous community and 70-80% of the food on the shelves donated from individuals, organizations, businesses or local food retailers, like Farmer Dave's CSA or grocery stores. The Vacation Lunch Program, due to the pre-set menu, require large quantities of a few ingredients.

People Helping People is reaching out asking for *your* help to provide some of the staples used in the program. **Please consider donating something from the following list:**

Bottled water (8 or 16 oz)

Milk (8oz, white or chocolate)

Snack sized Fruit cups or applesauce

Jars of salsa

Jars of pickles

Whole wheat crackers & Ritz crackers

Peanut butter & jelly

Pepperoni

Snack sized bags of nuts

Snack size raisins

Baked beans

Canned pineapple

Snack sized bags of pretzels, veggie straws, popcorners, or popcorn

If you would prefer to make a financial contribution to help offset the costs of the Summer Lunch Program, please make a check out to "**People Helping People -- Food Pantry**" and note "**Summer Lunch Program**" in the memo line. To make an on-line donation go to <https://tinyurl.com/PHPdonation> and list "**Summer Lunch Program**" in the notes field.

**See the bin by the church office
to drop off any of these items for the Pantry!**
