Loving Kindness Meditation

All summer long we will begin our services by centering ourselves with this meditation:

May I be well
May I be filled with joy
May I practice loving kindness

As you are all aware, we are in the midst of an extremely challenging time. However, as a people of faith, we can approach this time as an opportunity to explore practices that will more deeply sustain, unite and inspire us. Jesus often went off by himself to rest, restore, refill his cup and renew his relationship with God. Steven Smith of the Center for Contemplative Mind in Society introduced the practice in this way: “We begin with loving ourselves, for unless we have a measure of this unconditional love and acceptance for ourselves, it is difficult to extend it to others. Then we include others who are special to us, and, ultimately, all living things. Gradually, both the visualization and the meditation phrases blend into the actual experience, the feeling of loving kindness.” This practice

can deepen our communion with God, with Jesus, with ourselves and each other. We hope you'll join us for worship each Sunday in August as we'll offer the meditation to ourselves, then our loved ones, then those we have trouble with, and finally, the whole world.

People Helping People

People Helping People has expanded its offerings to the community in light of COVID-19. If you or your family could benefit from receiving food through the food pantry, please contact the food pantry at 781-270-6625 or burlingtonpantry@gmail.com. In addition to non-perishable items, they have a wonderful array of fruits and vegetables. They're also offering lunch foods for families with children who normally receive their lunch at school.

Church Member Support

If you are elderly or immunocompromised or don't feel comfortable leaving your home, we have a team of church members who can run errands for you, including doing your food shopping. If this would be helpful for you, please reach out to Bobbie in the church office, or Pastor Angela.

Please continue your church pledges

The church is not insulated from the economic concerns regarding COVID-19. We will inevitably lose a lot of loose offerings because we won't be gathering for worship for so many weeks. That being said, the church still has fixed costs including utilities and salaries. Please continue your weekly or monthly pledges, if you're able. ***Checks can be mailed to the church*** If you're able to make an extra contribution, that would be much appreciated. Thank you so much for helping to sustain our community during this time of uncertainty.
