## COFFEE HOUR HOSTS NEEDED!

We are in need of **2 to 3 more coffee hour hosts** to help spread out the time between hosting duties for our volunteers. If you would like to help out our church with this need please contact Janine Towle at [msjaninetowle@gmail.com](mailto:msjaninetowle@gmail.com) and let her know.

### Now Forming: Community Engagement Group!

At our Annual Meeting, we voted to partner in ministry with the wider community, so that begs the question, who is the wider community? This group is going to find out! Through studying demographic data, doing prayer walks and interviewing key town leaders, we'll learn more about what makes up our community, and what its needs are. After we've done data collection, we'll reflect upon which needs we feel called to address. In total, this will be about a year-long process, but with a low time commitment. We need 10-12 people to work on this, so please contact Angela at [RevWells@UCCBurlington.org](mailto:RevWells@UCCBurlington.org) if you're interested. Thank you!

## LOWELL TRANSITIONAL HOUSING DONATIONS!

Thank you to all who have given clothing, toothpaste, etc. during the past winter months. Our collection will end this Sunday March 11th.

**One the Rise**, part of Missions, will be looking for particular items to help furnish an apartment for a woman who will be moving from a shelter. Look for the list at coffee hour on Sunday and in the Sunday bulletin.

### **WORSHIP AND SUNDAY SCHOOL HELP!**

CE will be providing signup sheets for nursery and Sunday school substitute teachers and assistants.

Please sign up if you're able. It has proven to be a rewarding experience for volunteers and the CE program could not continue without it!

### **Intergenerational Game Night- March 17th at 6pm**

Join us on March 17th (wearing your **GREEN**) for a night of board games and pizza. Games for all ages (even adults). See the signup sheet for a head count!

### **Money Madness, a fun competitive fundraiser.**

They're having a money madness contest to raise the funds! The premise is simple: help your team get the most points. There will be a jar for each team located in the sanctuary and at coffee hour on Sundays, and in the office the rest of the week. Adding pennies or dollar bills/dollar coins to your team's jar adds points for your team. A penny is worth one point and a dollar bill/dollar coin is worth 100 points. Adding silver coins to another team's jar makes them lose points. Nickels cost a team 5 points, dimes cost them 10 points and quarters cost them 25 points.

The teams are:

1. The front section of pews
2. The back section of pews
3. The choir and church staff

It will run until 3/18/18. You have one month to get as many points as you can for your

team, while losing as many points as you can for the other teams. At the end of the month, the team with the most points wins prestige, bragging rights & a prize.

In summary: put pennies and dollar bills/coins into YOUR team's jar, put nickels, dimes and quarters into OTHER team's jars.

**Be sure to bring your coins to church!**

## **GIFT CARD PROGRAM—Just in Time for Easter**

There are several ways to buy:

-Leave a completed order form and check made out to UCC Burlington in the Gift Card Orders mailbox in the church office. (Note “gift cards” on the memo line.)

-Order online at [www.ShopWithScrip.com](http://www.ShopWithScrip.com)

(use code BB483284315L1 to link your account to the church). Either leave a check in the Gift Card Orders mailbox in the church office, or use your own credit card to complete your online purchase. You can request traditional plastic gift cards or print paper gift cards from your home computer.

Remember you get your gift cards at full value and a percentage comes back to the church. It's a win win for all!

**Order by March 18**

**Receive Cards by March 25**

## **SOLAR POWER FOR OUR CHURCH**

### Solar update

Good news, Verizon installed the new telephone pole last week and Eversource hung a new transformer and connected it to the Church.

Next step is for Eversource to install the Net-Meter. We are asking for a time line from Revision on the Net-Meter. After the Net-Meter connection we will be live and actually using the solar power, stay tuned!
