COFFEE HOUR HOSTS NEEDED!

We are in need of **2 to 3 more coffee hour hosts** to help spread out the time between hosting duties for our volunteers. If you would like to help out our church with this need please contact Janine Towle at msjaninetowle@gmail.com and let her know.

Now Forming: Community Engagement Group!

At our Annual Meeting, we voted to partner in ministry with the wider community, so that begs the question, who *is* the wider community? This group is going to find out! Through studying demographic data, doing prayer walks and interviewing key town leaders, we'll learn more about what makes up our community, and what its needs are. After we've done data collection, we'll reflect upon which needs we feel called to address. In total, this will be about a year-long process, but with a low time commitment. We need 10-12 people to work on this, so please contact Angela at RevWells@UCCBurlington.org if you're interested. Thank you!

People Helping People needs your help!

There is a dire need for F.I.S.H. drivers (Friends In Service to Humanity) to drive Food Pantry clients (Burlington residents) to and from the Food Pantry to receive their food. If you are interested in helping with this, please call Burlington Youth and Family Services at [781-270-1961](tel:781-270-1961).

People Helping People is a non-profit, predominantly volunteer support program established to provide assistance to residents of Burlington, MA who have an emergency need for food, medicine, heat or utilities and to provide for holiday food and gifts for children. People Helping People operates solely on donations. Check out our website at peoplehelpingpeopleinc.org.

RACIAL JUSTICE TRAINING!

The Burlington Advocates for Truth and Justice have organized a Racial Justice Training to be held at our church on **Saturday March 10th from 9am-5pm**. The training will be led by trained facilitators from the Massachusetts Conference of the UCC. This training, "From Tolerance to Unity," seeks to create a common language around racism, to unmask racism in our lives, and to encourage long-term engagement in racial justice ministry.

*The cost is \$15 per person and lunch is included.
Space is limited-we are looking for a few more people!*

so please contact Angela at RevWells@UCCBurlington.org
or see the sign up sheet if you'd like to participate.

LOWELL TRANSITIONAL HOUSING NEEDS!!!

The Lowell Transitional Living Center (aka Lowell Shelter) is short on **travel size toothpaste**.

Also needed is **gently used winter clothing**. Yes, gloves, hats, jackets. Remember that it's for homeless people, so stuff that's waterproof/very durable would probably be best. See the bins outside the church office.

WORSHIP AND SUNDAY SCHOOL HELP!

CE will be providing signup sheets for nursery and Sunday school substitute teachers and assistants.

Please sign up if you're able. It has proven to be a rewarding experience for volunteers and the CE program could not continue without it!

SOLAR POWER FOR OUR CHURCH

Solar update

Good news, Verizon installed the new telephone pole last week and Eversource hung a new transformer and connected it to the Church.

Next step is for Eversource to install the Net-Meter. We are asking for a time line from Revision on the Net-Meter. After the Net-Meter connection we will be live and actually using the solar power, stay tuned!
