July 1, 2018 @ 9:30am Opioid Crisis Talk

Many cities and towns around our country are struggling with our nation's opioid epidemic, and Burlington is no exception. Most people know someone who has been touched by this crisis. We cry for those who are addicted and with the family members as they agonize through the struggle of addiction and recovery.

Margie Taylor, a volunteer with AmeriCorps will be our guest speaker to talk about the opioid epidemic, how people can support others who are struggling, what resources are available to help those affected, and how this crisis is affecting our wider community.

If you personally are impacted by opioid addiction, have a loved one who is affected or just want to learn more about the issue and/or what you can do to help, please join us:
