SUMMER WORSHIP HOURS

**On July 7th we will worship AT THE Presbyterian Church,
335 Cambridge Street in Burlington at 10:30am.**

There will be NO worship here at our church that day.

THEN the rest of July AND August our worship time will change to 9:30am

GIANT YARD SALE

My sincere thanks to all of you who worked so hard on Thursday, Friday, and Saturday to make the yard sale a success. It was fun for me to get to know more of you... and to work alongside old-timers I knew from years ago. Your teamwork, stamina, and smiles made it all so enjoyable. Many thanks, also, for the hundreds, if not thousands, of donations. Our goal was to raise \$1000. The actual amount we raised is \$3168.40. As I said in church Sunday, as the old saying goes, "*It takes a congregation.*"

-Joan Zink

We still have a good amount of items remaining in Sewall Hall. If you can come this week and take items away to Savers, Salvations Army etc, before the Memorial Service on Saturday, it would be so very helpful!

T-SHIRTS WITH THE CHURCH LOGO FOR SALE!

If you would like to purchase a T-Shirt with our Church Logo, these will be available at coffee hour. We have Men/Women and Children's shirts. \$10 each!

LORD BARON READING GROUP UPDATE

Volunteers will hold reading groups at the Lord Baron apartments.

We will gather on Tuesdays and Thursdays from 3:30-5:00pm.

In July and August, we will meet on the same days from 10:00-11:00am.

Volunteer schedules have gone out.

Thank you to everyone who has helped with volunteering to read, donating snacks, and books. This is a wonderful community outreach program our church has offered to do.

TIPS FROM THE GREEN TEAM

5 PLANTS TO REPEL MOSQUITOES

1. **LAVENDER** (*Lavendula angustifolia*) - The same sweet perfume-like scent of Lavender that helps us humans relax and sleep deeply is an offensive pungent odor to mosquitos and other insect pests.
2. **CATNIP** (*Nepeta cataria*) - All members of the Nepeta family will repel mosquito pests, but the variety known as CATNIP contains the most concentrated amount of nepetalactone, which repels mosquitoes SO effectively that it is used in many commercial mosquito sprays. In fact, a study by Iowa State University found catnip to be ten times more effective than DEET.
3. **MARIGOLDS** (*Tagetes lucida*) - Marigolds, especially Mexican marigolds, contain pyrethrum, which is a common ingredient in insect repellents and insecticides. Mosquitoes and many other garden pests are deterred by the scent of these annuals.
4. **ROSEMARY** (*Rosmarinus officinalis*) - Rosemary not only repels mosquitoes, but also ticks and many other insects. When enjoying a cozy fire, snip off some sprigs of rosemary and toss them into the fire to repel insects wherever the smoke blows.
5. **BASIL** (*Ocimum americanum*) - The strong scent of all varieties of basil are natural mosquito repellents. They also repel deer and rabbits.

NEW COFFEE HOUR COORDINATOR UPDATE!

We want to thank Donna Ferro, Jan McSheffrey and Cindy Phillip who have offered to coordinate coffee hour on a short term basis. If you would like to host/bake please see the signup sheet in the hallway near the church office!
