PLEASE READ THROUGH ALL THE
UPDATED ARTICLES IN THIS WEEKLY

Dear Congregants,

Mask Policy Update

Wearing masks will be optional for all church events, including Sunday services. This decision has been made based on input from members of the congregation as well as a recommendation from parish council. Although masks will be optional, we encourage people to continue to wear masks and remain at home if they have symptoms or have been exposed to the virus. Remember, you may not have symptoms when you are infected with COVID-19.

Covid-19 will be with us for awhile and we need to continue our efforts to prevent its spread in the community. We encourage everyone to get vaccinated and boosted if you are able. There is a diversity of perspectives about wearing masks; please respect the decisions people make concerning this issue. While we assume this change in policy will be permanent, we will re-evaluate the mask policy if the rate or severity of infection increases in the future. We will continue to livestream our worship services and post recordings each week.

Coffee Hour

Also, food can once again be served during coffee hour. Coffee hour volunteers are not expected to provide food. To ease the work of the coffee hour volunteer, people who bring food for coffee hour will be responsible for setting and cleaning it up., Leftovers must be given away or taken home; no food can be left in the kitchen, refrigerator, or freezer. We also encourage people to bring individually wrapped items or serve the food to individuals while wearing gloves and using proper kitchen utensils.

“A new commandment I give to you, that you love one another; even as I have loved you, that you also love one another. By this all men will know that you are my disciples, if you have love for one another.” – John 13:34-35

WISH PROJECT

Missions thanks Sarah Clark who transported the 5 bags of donated clothing to The Wish Project in Chelmsford. We will continue to accept donated clothing that is free of stains, holes and freshly washed. Due to space considerations the Wish Project asks that all donations be seasonally (winter) appropriate.

There is a bin under the coat rack for your donations.

The last Wednesday of the Month

The Presbyterian Church in Burlington invites our neighbors who live or work in Burlington and nearby towns to gather with us at our FREE, monthly community dinners.
